

Press Release

FOR IMMEDIATE RELEASE

31 January 2018

## Appointment of Chief Operating Officer

i-Cable Communications Limited (“i-CABLE”) is pleased to announce the appointment of Ms. Leung Shuk Yee Irene (“Ms. Leung”) as the Chief Operating Officer of the Company with effect from 1 February 2018.

Ms. Leung was an experienced senior management in the telecommunications industry, having developed her expertise in fixed and mobile telecom services. She was the Executive Vice President of a market leading mobile service operator in Hong Kong for commercial customer segments as well as mass consumer market, and was responsible for the leadership and strategic development of the leading mobile service operator’s multi-brand business and services which included the world’s first commercial launch of 4G mobile service and applications. In 2012, Ms. Leung devoted herself into the social service sector and promoted the application of information technology by joining the Senior Citizen Home Safety Association (“SCHSA”), a well-known social enterprise and charitable organization in Hong Kong, as the Chief Executive Officer. During her service and leadership in SCHSA, SCHSA had gone through a major transformation and is being recognized as a role model of social innovations in the social service sector in Hong Kong.

Chairman of i-CABLE, Tan Sri Dato' David Chiu, welcomes Ms. Leung for joining the Company, adding that her experience would be valuable to the Group.
